

THE PROVIDER SIDE OF QSME

Get found by live projects. Price the same lines as everyone else.

Builders, sparkies, plumbers, architects, engineers, quantity surveyors, suppliers and real-estate agents all have a seat on the job.

- ✓ **Tradies:** a profile in Find a Tradie, one Opportunities feed for public tenders and private invitations, bids with your own dates and terms, milestones paid on proof of work.
- ✓ **Consultants:** be invited under your profession, run clients' projects from one record, QS reports straight from the schedule, everything under your logo.
- ✓ **Suppliers:** publish a price list by spreadsheet. Your products become selectable inside estimators' schedules. Buyers get in touch through your shop page.
- ✓ **Real-estate agents:** list sections and development sites tied to their address, with the zoning and site data a click away for buyers.
- ✓ **Your track record:** ratings only from finished jobs between members, and they go both ways.
